Additional Information:

In order for us to provide you with an optimal performance, please note the following;

- One free private consultation will be available to the client and conducted at VeeRonna's home.
- The harp may not be placed directly on an unstable surface such as grass or dirt. A solid 4' by 5' covering such as dance floor, wood, or tile must be provided by the client to protect the harp. It must be able to support approximately 300 lbs.
- When temperatures exceed 87 degrees, the instruments must be completely shaded.
- When temperatures drop below 65 degrees, a space heater must be provided for the musicians.
- The instruments cannot be exposed to rain or a mist system.
- If a vocalist requires a song in another key to best suit his/her range, the sheet music must be provided a minimum of one month prior to the event. If sheet music is unavailable in the new key, VeeRonna may be able to transpose most chord charts with a one month notice as well. A small fee will be charged.
- If the vocalist requires a private rehearsal, the rehearsal itself will be conducted with VeeRonna at her home. Rehearsal time will be at a rate of \$25.00 per hour. There is a minimum one hour charge
- If under any circumstances the musicians are unable to fulfill their contractual obligation, the fees paid shall be refunded or the musicians will do all that is reasonably possible to find a qualified substitute.

By signing, I agree to the aforementioned terms
